What's going on in our world...

We have had good meetings during the last several months, and are anxiously awaiting our Visas from the U.K. Government that are necessary to enter and remain in Northern Ireland. We had been scheduled to fly on St. Patrick's Day, but have had to postpone the trip temporarily due to the slow process in obtaining the Visas. In November, I made a trip to the U.K. where we started the task by applying for a charity status. The new laws have greatly complicated the Visa process, and the length of time to get a Visa has increased. Please pray for us, that things will go quickly so that we can move to the field soon.

Pray also for the people in Northern Ireland during this time. Several recent terrorist attacks by militants have attempted to upset the peace. In the midst of everything that happens, we are grateful to be able to serve a God who still does mighty works and saves souls!

While our needed support is nearly complete, we are raising funds now for start-up expenses. We may need as much as \$20,000.00 to set up a house, pay for rent, a car and other costs. We have been able, by God's grace, to raise \$15,000.00 so far. One of our new supporting churches in Florida

has been so generous as to donate \$5,000.00! We would still like to raise another \$5,000.00 to aid in our move and start-up on a field where the American Dollar is still worth less than the British Pound. If your church would like to make a donation, please send it to Macedonia World Baptist Missions and designate the check for Bakers-U.K. Travel.

May God bless you all. Thank you so much for your continued prayers and faithful support .

Yours for souls,

Stephen Baker
